

Transform Your Organization Through the Power of Connection

HIRE ALAN SAMUEL COHEN TO SPEAK

Through his proven techniques, Alan has helped thousands of individuals to connect to their authentic selves within the larger group. Conferences, seminars, retreats...all of these offer a structured method to focus on real connection, to identify new opportunities for growth, and to practice professional and personal authenticity.

Whether your audience is 5 or 500, Alan Samuel Cohen will leave attendees excited, inspired...and connected!

Alan's current speaking activities include keynote speeches at large conferences, members-only groups (like Vistage), and fulfilling requests to speak about his new book: *The Connection Challenge™: How Executives Create Power and Possibility In The Age Of Distraction.*
